CFP<sup>®</sup> certification is the recognized standard of excellence for personal financial planning. The Certified Financial Planner Board of Standards, Inc. (CFP Board) owns the CFP<sup>®</sup> marks and is accountable to the public by fostering personal financial planning professional standards through the setting and enforcement of education, examination, experience, and ethics (the Four Es) requirements.

## Your Dedicated CFP<sup>®</sup> Certification Program Partner

The path to achieving CFP<sup>®</sup> certification is challenging, but you can trust our study tools and support to navigate through the curriculum and earn your CFP<sup>®</sup> mark.

## You may be wondering:

- What is the value of CFP® certification in today's market?
- What are the education and work experience prerequisites?
- What concepts will I learn?
- How is the exam formatted?
- What is the time commitment?
- How do I prepare for the CFP<sup>®</sup> exam?

As your committed CFP<sup>®</sup> certification partner, we've developed this guide to introduce you to the benefits of CFP<sup>®</sup> certification and "the Four Es," summarize the steps needed to obtain and maintain your CFP<sup>®</sup> certification, and highlight our programs.

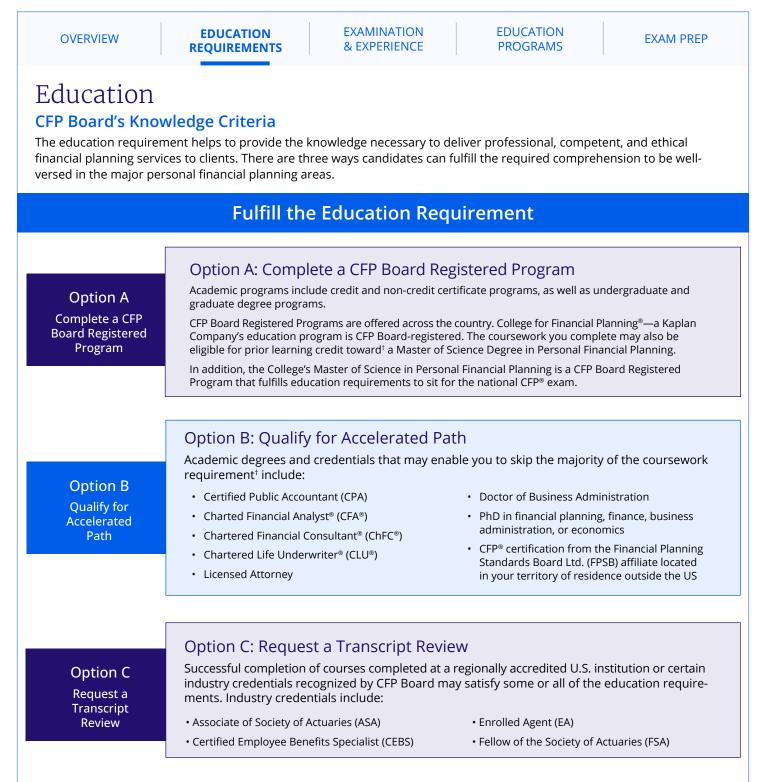

\*In 1969, the International Association for Financial Planners (IAFP) and the College for Financial Planning were created to help meet the financial needs of Americans.

In 1985, the College entered an agreement to establish an independent, nonprofit certifying and standards-setting organization. Ownership of the CFP® marks and responsibility for continuing the CFP® certification program was transferred to the new organization, International Board of Standards and Practices for Certified Financial Planners, Inc. (IBCFP), now known as CFP Board. For more information please visit www.cfp.net/about-cfp-board/history.

### **Bachelor's Degree Requirement**

Candidates must earn a bachelor's degree from an accredited college or university within 5 years after passing the exam to receive CFP<sup>®</sup> certification. Attaining a bachelor's degree is not a requirement to be eligible to take the CFP<sup>®</sup> exam and does not have to occur before sitting for the exam or fulfilling the work experience.

<sup>†</sup> Not including capstone course

## Examination

#### **Exam Format**

The CFP® exam is offered in a computer-based format during an 8-day testing window three times per year: March, July, and November. Candidates choose their test day and Prometric testing location and then sign up for a 7-hour testing window. The exam consists of check-in, two 3-hour testing sections (each subdivided into two subsections), and a scheduled 40-minute break. Each of the 170 exam questions are linked to at least one of the Principal Knowledge Topics.

## View Current Exam Dates and Registration Date at CFP.NET »

A completed exam registration form, including payment of a registration fee and the proper documentation, must be received by the exam application deadline.

PRINCIPAL KNOWLEDGE DOMAIN	% OF EXAM
Professional Conduct and Regulation	8%
General Principles of Financial Planning	15%
Risk Management and Insurance Planning	11%
Investment Planning	17%
Tax Planning	14%
Retirement Savings and Income Planning	18%
Estate Planning	10%
Psychology of Financial Planning	7%

### Eligibility

Candidates are able to register for the CFP<sup>®</sup> exam prior to completing the education coursework requirement, pending CFP Board receives verification of your coursework completion by the education verification deadline. Candidates are always eligible to register for the exam if their education has already been submitted to CFP Board by their Registered Program.

## Work Experience, Ethics Requirement, and CFP<sup>®</sup> Certification Renewal Work Experience

Professional experience (6,000 hours Standard Pathway) in relevant personal financial planning activities, or apprenticeship experience (4,000 hours Apprenticeship Pathway) that meets additional requirements, is required to meet the experience requirement. This experience must be completed in 10 years preceding the exam and/or within 5 years after the exam in order to receive CFP<sup>®</sup> certification.

## Read More on Experience Requirement »

## **Ethics Requirement**

CFP<sup>®</sup> professionals agree to adhere to the high standards of ethics and practice outlined in CFP Board's Code of Ethics and Standards of Conduct. Applicants for CFP<sup>®</sup> certification must pass CFP Board's Candidate Fitness Standards, which outlines conduct that prohibits an individual from being certified. An ethics declaration is required, and a background check is also conducted.

## Read More on Ethics Requirements »

## CFP<sup>®</sup> Certification Continuing Education (CE) Requirements

Once certified, CFP<sup>®</sup> professionals are required to complete 30 hours of continuing education each reporting period: 2 hours of CFP Board Ethics CE and 28 hours of CE covering one or more of CFP Board's Principal Topics.

## An Education Program that Fits Your Lifestyle

The College for Financial Planning<sup>®</sup>—a Kaplan Company's CFP Board Registered Program combines a streamlined curriculum and an innovative learning platform with the latest advances to support efficient and effective learning.

You can choose from three different learning methods to complete your education: Live Online Classes, OnDemand Classes, and a Self-Study option. No matter which format best suits your lifestyle, you'll master the eight major domains covered on the CFP<sup>®</sup> exam through our seven-course curriculum.

In addition, most coursework you complete is eligible for prior learning credit toward a Master of Science Degree in Personal Financial Planning.

If you are interested in a graduate degree, the College's Master of Science in Personal Financial Planning program is a CFP Board Registered Program that also fulfills the education requirements for CFP® certification.
